Visual Story

This is what you will see when you enter the theatre

In the show you will meet two people and lots of puppets.
This is Dustin Huffman the storyteller

This is Swampy pig and their brothers Minty and Spoon (puppets). They enter through the audience shortly after the start of the show.

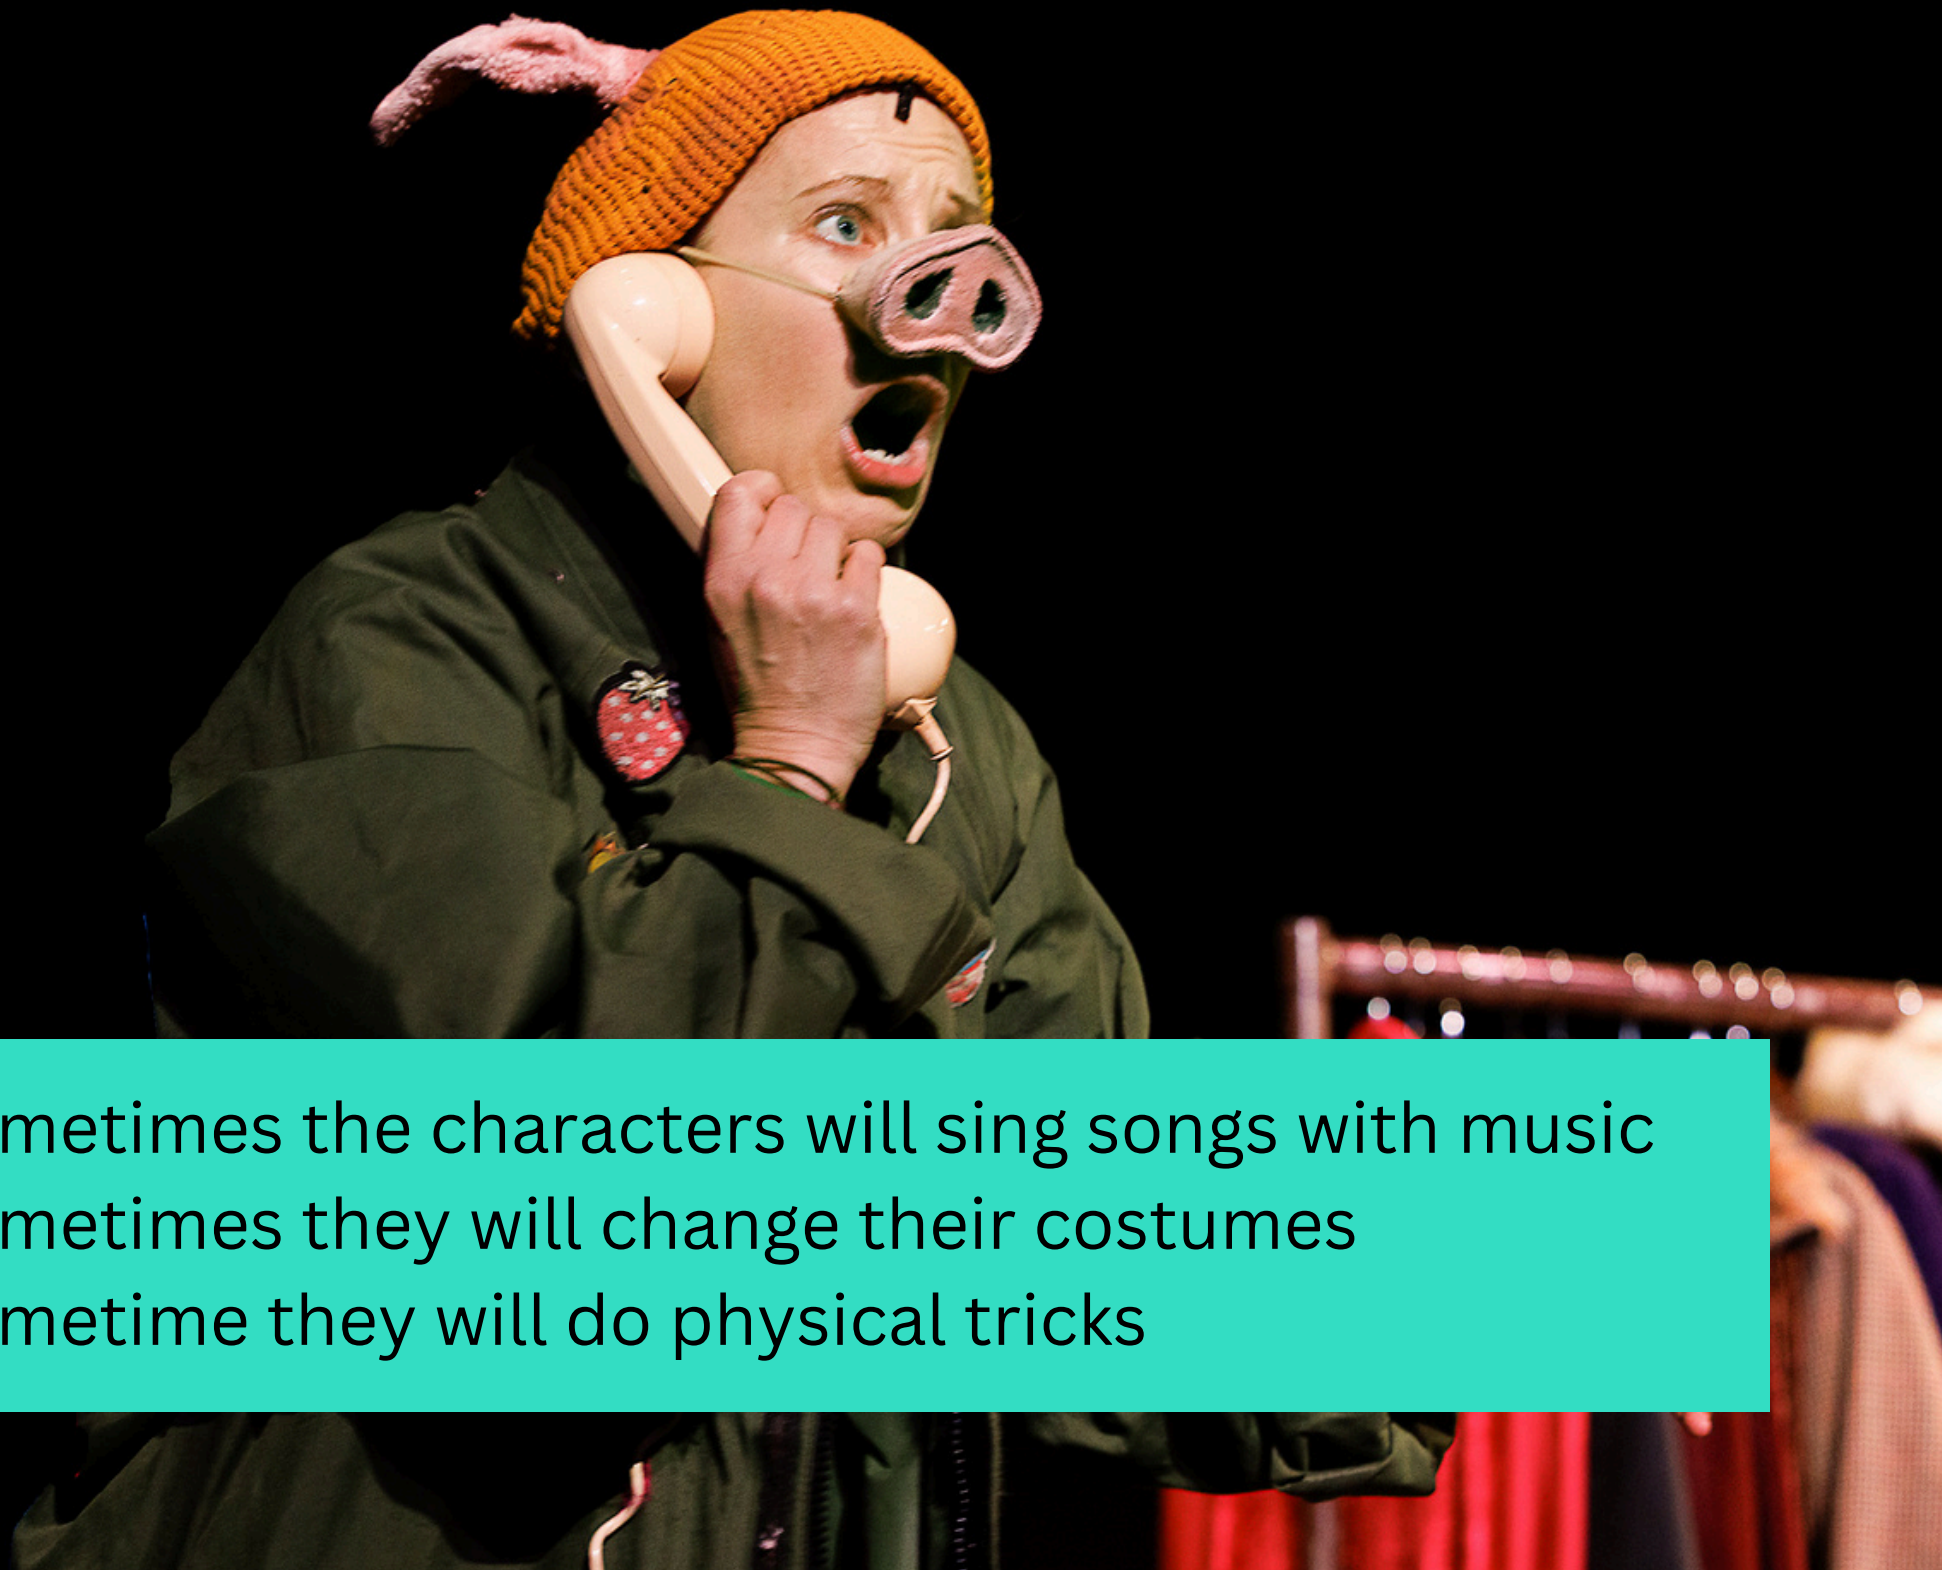

WOLF

• *Canis Lupus* •

This is the Wolf. He isn't
a scary Wolf in our story.

Sometimes the characters will sing songs with music
Sometimes they will change their costumes
Sometime they will do physical tricks

The story will take you on a journey where the three pigs build a straw house, a stick house and a brick house.

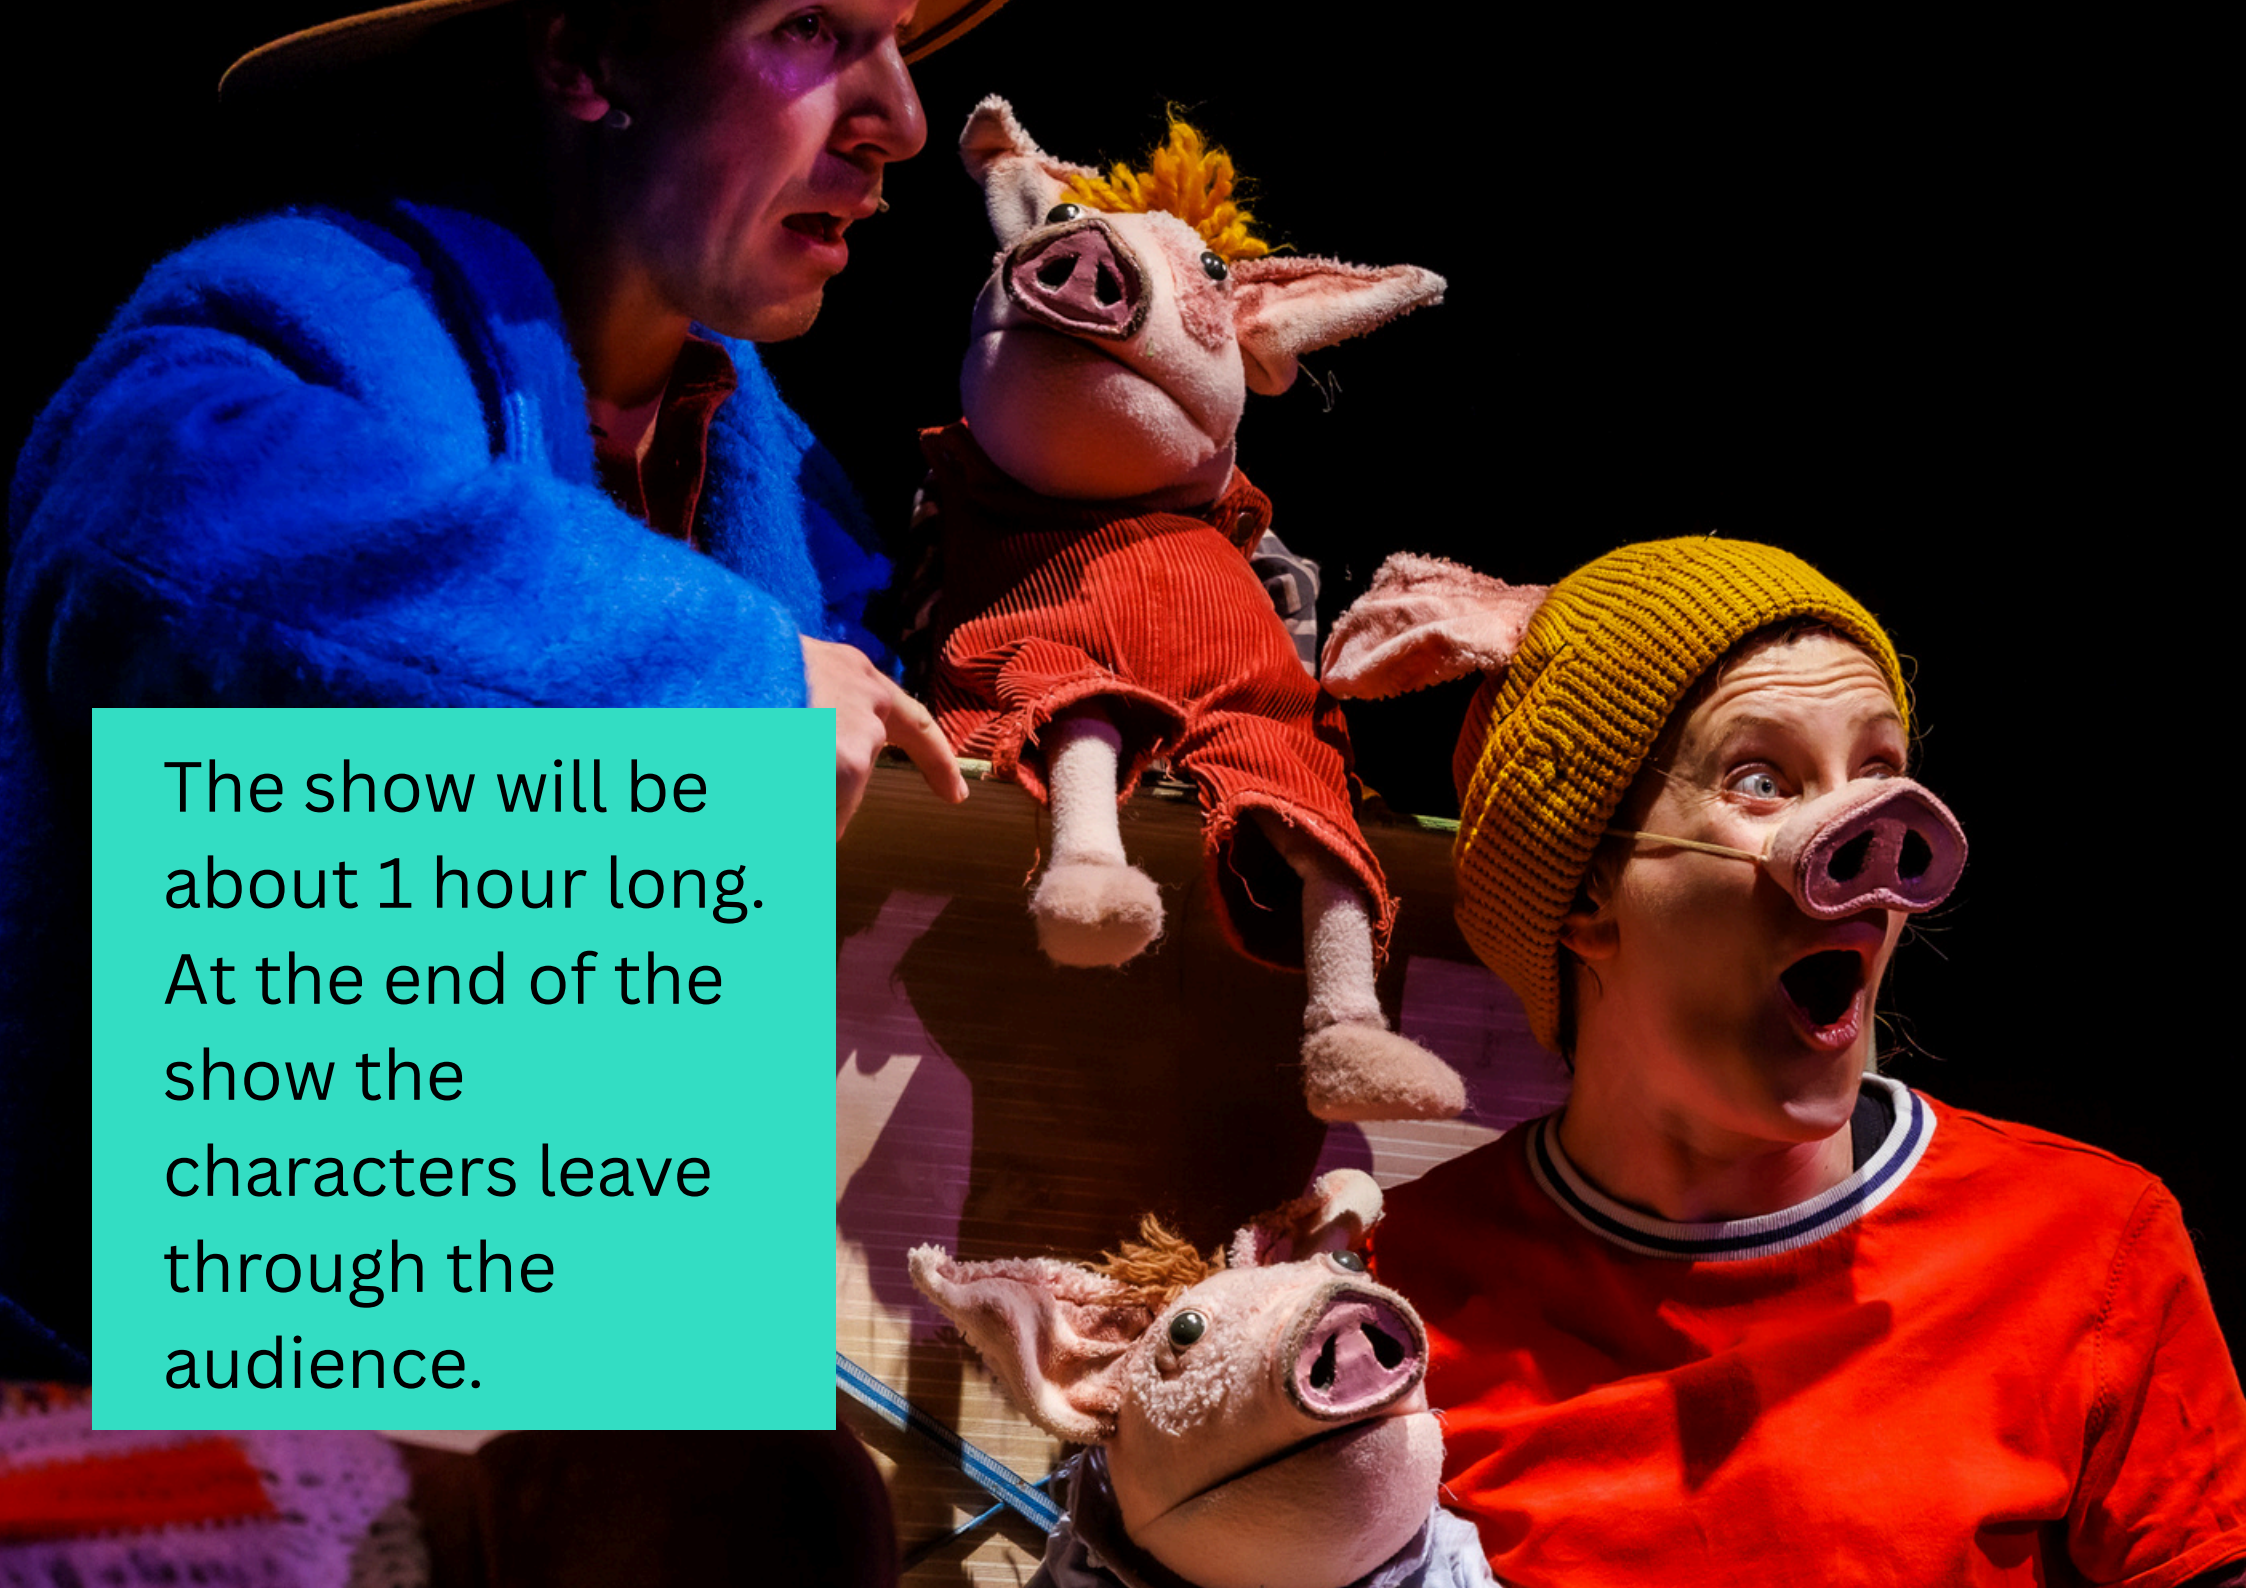

When the wolf is huffing and puffing you will hear wind sounds which will be louder than other sounds in the show.

In the show you
can:
Make noise
Sing along
Move around if
needed
Leave at any point

A photograph of a theatrical performance. On the left, a man in a blue jacket looks surprised. On the right, a woman in a red shirt and a yellow beanie wears a large pig nose mask and has a surprised expression. Two pig puppets are visible: one in the upper center wearing a red corded outfit, and another in the lower center. The background is dark with stage lighting.

The show will be about 1 hour long. At the end of the show the characters leave through the audience.
